# TOTAL330

CONTINUOUS COMPLIANCE

**Continuous Compliance  
is no longer just a goal...  
It's a requirement**

**TOTAL330™ can help you  
stay ready all the time!**

**TOTAL330™ provides:**

- Web-based tool for tracking compliance to HRSA's Compliance Manual and Site Visit Protocol.
- Ease in uploading required documents to each SVP element, as applicable to your health center.
- Total330 coaches review and verify when elements are complete and compliant.
- Sends reminder assignments for periodic review and updating to assure ongoing readiness.
- Allows you to email a question, at any time, to a coach who will respond to you directly.

**TOTAL330™ clients work with  
our expert coaches all of  
which perform OSV and TA  
visits at health centers**
